AUSTRALIAN LASER TAG TITLES 2016

A MESSAGE FROM WOMBAT.....

If you've not been to a National or International Laser Tag event then you are really missing out. Laser Tag attracts a really awesome bunch of people and playing at these events is not only enjoyable because you get to play against some of the best people in the world but creates the opportunity to make some really awesome new friends too.

I have been involved in Competitive Laser Tag now for 24 years in Perth, Western Australia. I have been running Laser Tag Leagues for 22 of those years and was also on the original committee that guided the Zone National Championships to where it is today.

Now being in the Laser Force Family, Mars and Myself wanted to do it all again. Last year was the first Laser Force Titles held in Rockhampton Queensland at Funzone. Although we only had 4 teams participating from 3 different sites we all had a fantastic time and made some awesome new friends. These early years of the Tournament are where the life long friendships are really made.

It's not just about Laser Tag, it's a community of people who love playing Laser Tag who then support one another through all kinds of ups and downs life throws at us.

For some it's all about the WIN and for others it's all about the great games and social times. Whichever is your reason you'll find the Australian Laser Tag Titles a fantastic event and you'll play some of the best Laser Tag games you've ever played.

Lazer Blaze Malaga is honoured to be hosting you this year and many of our Members are very experienced in tournaments and we've hosted two previously in 2004 and 2008. Our Members are some of the friendliest around, and will be more than willing to help you out with any questions or help you need, even so much as a lift from the airport if you need it.

This tournament will be a load of fun and is a real must for those that love playing Laser Tag. We hope you can make it in August to see us and join us for some of the best Laser Tag games you've ever played.

TRAVELLING TO PLAY LASER TAG

It's cheapest to book and stay in apartment style accommodation while away at the Laser Tag Tournaments. This could be in a chain like Quest or Best Western or even at a BIG4 Caravan park that has chalets. Or even find a holiday house for rent in the area near the hosting site. A place where your own team/squad can stay all together is always fun and even more fun if you can stay somewhere nearby other teams too.

Keep in mind that the place you are travelling to may have very different weather to where you are travelling from so check out the local weather at your destination before packing.

A week of Laser Tag can be quite exhausting drink plenty of water and keep up your vitamins either through eating healthily or taking vitamin supplements.

Also think about designing a team shirt so your team/squad all look the part. It is quite traditional at Laser Tag events to swap shirts with the opposing players at the end of the tournament so think about buying yourself more than one of your team shirts so you can keep one and trade one or two.

Budget in some spending money for time spent socialising or checking out some tourist locations while you are away. We do try to give you spare time to explore while you're visiting.

This photo shows the players from 2015 Australian Laser Tag Titles in Rockhampton. We had an awesome week and most of these faces will be there again in 2016! Join us for an awesome time!

This is where you will find updates about the Tournament and players will often post things here during the Tournament. You may even see posts organising social events of an evening during the Tournament.

ACCOMMODATION

Our Top Suggestions are:

BIG4 CARAVAN PARK (Approx. 10min drive)

AIR BNB WEBSITE FOR HOLIDAY HOUSES:

STAYZ WEBSITE FOR HOLIDAY HOUSES:
<http://www.stayz.com.au>

SUBURBS NEARBY: Morley, Bedford, Ellenbrook, Ballajura, Alexander Heights, Henley Brook, Koondoola, Darch, Beechboro, Noranda, Bennett Springs
(Approx. 5-20min drive away)

ALTERNATIVELY: Alternatively you could stay in apartments in Northbridge, Perth City or Joondalup and you'd be about 25min drive away.

Remember you are staying for a week so try to be as comfortable as possibly.

Mid-Week Drinks

Majority of those attending the Titles are aged 18 or over so some of the socialising is definitely done at the local. We will schedule an early finish on the Tuesday and a late start on the Wednesday for our Mid-week Drinks which is an awesome Social Event to enable everybody to get to know one another on a very social level away from the Tournament.

The venue selected will be licensed but we will also pick a venue that the under 18's can attend. In the interest of safety and the reputation of the sport we do ask you not buy alcohol for any Under 18's in your group.

It's all about having some fun and getting to know each other over a few drinks. With a late start the next day we can be sure it will be a late one that may continue on back at the accommodation.

This is the night that friendships are formed. And arm wrestles are lost, hey Dobes! Be sure not to miss it!

The last 9+ years have been a constant build at Malaga as we add and add and add to the Maze and Foyer. The maze is around 1000m2. The foyer around 500m2. There'll be a few more changes before Titles.

We have our own café which will be open each day for purchasing food, coffee, tea, hot chocolate, milkshakes and slushies. Most of our normal food is deep fried but for the Titles we are looking at having other dishes available each for purchase.

If you're after more variety it's only a very short drive to Nando's, Subway, Chinese, Red Rooster, MacDonalds, Hungry Jacks and more with a few lunchbars in walking distance.

We run a Super Session on Friday and Saturday Nights and on Saturday 20th August we have booked out the entire session to Titles players only and included it in your nomination fee. We have also started it 1.5 hours early so it'll be a 4.5 hour session with some fun games and practice games so you can learn the maze before the Tournament starts.

There is ample parking for your hire cars so you won't be paying for parking. Plenty of foyer space and room outside for getting some privacy to have your team talks.

We have arcade games and redemption machines to keep you entertained between games. I'm sure people will also bring along card games etc to help waste the time between games when not strategizing.

We are only a 20-25min drive from Perth City and similar distance from Joondalup. Morley has a huge shopping centre only about 10mins drive away from the site.

We look forward to having you all visit for this tournament, if you need help with anything please ask. Our Crew and Members will do what they can to help.

DINNER & PRESENTATIONS

On Friday Night we will hold the Presentation Dinner where the trophies for all the events will be awarded. Just like the Mid-Week Drinks, this is an awesome social night where some people get really dressed up and others just neat casual.

The Dinner for 2016 will be hosted at the site, so it'll be a casual affair, but those that wish to get dressed up are more than welcome to. We will be getting outside catering. Alcohol will be

Relaxing before the Dinner

BYO. Soft-drinks can be purchased onsite.

This is also a great time to swap shirts with people if you haven't already done so.

Tonight tends to be the final time you see most people at the Tournament so it's a great time to mingle and chat to people you haven't talked to much during the week and the last chance you'll have to have those final conversations with the great friends you've made. Add people on your Facebook so you can keep in contact throughout the year.

Tonight is bittersweet, that realisation that your week of Laser Tag has come to an end and those awesome friends you've made throughout the week will return to their home states. Normal life begins again in a couple of days and leaves you longing for the announcement of the next Tournament so you can start planning.

But don't fret, the next Tournament is less than a year away and you'll reunite with your Laser Tag Family again...
